PREFACE

The Weidner Genealogy is dedicated to Cora Dorothy (Weidner) Reisinger, whose assistance was instrumental in assembling this material. My grandmother-in-law took great pride in her German heritage and hopefully her relatives and descendants will also.

The Register Plan of numbering is used in this book. Our progenitor, Michael Weidner is number 1, and each of his descendants who are traced are numbered 2, 3, 4, etc. There is an index by identification number in the back of this book.

Each chapter begins with the family tree for that chapter. Each of the grandchildren of Michael Weidner who have been traced is assigned a separate chapter.

Hopefully future generations will consider it worthwhile to update this genealogy.
